

## JOB OFFER - POWER PLATFORM CONSULTANT

With more than 12 years of experience, **Intelequia is one of the leading technology consulting firms in Spain with worldwide operations and recognized with the highest Microsoft Competencies and Certifications**, accrediting us as one of its technology partners with excellent capabilities to address digital transformation projects.

All our services and solutions are focused on guaranteeing our clients' peace of mind in terms of security. Thanks to the work of our team, **we have ISO 27001 and Ethical Hacking Offensive Security (OSCP) certifications.**

**In addition to being a Technology Partner of the main companies in the sector, such as AWS and Google Cloud.**

### WHAT ARE WE LOOKING FOR?

We are looking for a Power Platform Consultant with experience in Power Apps and SharePoint Online.

### FUNCTIONS:

- Develop Power Platform / SharePoint Online solutions
- Management of assigned projects

### MINIMUM REQUIREMENTS

- Between 1 or 2 years as a Power Platform consultant / developer.
- Knowledge in the administration of Power Platform environments
- Dataverse data management
- Knowledge in administration and configuration of SharePoint Online

### DESIRABLE

- Knowledge in Power BI reports and dashboards layout.
- Official Microsoft certifications in the Power Platform area.

At Intelequia we firmly believe that the happiness of our team has a direct influence on the work done, for that reason we OFFER you:

- Immediate incorporation to an EXCITING AND MOTIVATING PROJECT.
- Good working environment, being part of a team of great professionals where you can grow and contribute, WE ALL ADD!
- Training.
- We offer the possibility of working from home or from the office.
